2014 Scholarship Application Workshop

Tips for Success:

- Complete the application fully!
- Demonstrate your intentions and ability to be successful
- Tell your story – make sure the application reflects who you are
- Make the application legible
- Have someone proofread and review your application before you submit

Deadline Reminders:

**Now** -
Ask your references for their recommendation letters. They need ample time to write you the best recommendation.

**No later than July 25** –
Pull your unofficial transcript so that if you run into any difficulties the school has time to help with your questions

**August 1** –
Application deadline. Late applications are not considered.

The fine print: The workshop and these recommendations are provided by community volunteers. We want you to be successful and believe these reminders may be helpful. Please understand this information is not provided by Savannah Technical College and does not directly influence the scholarship application process.
