POSITION ANNOUNCEMENT

Position: Aviation Maintenance Technology Instructor

Savannah Technical College is seeking an instructor with experience in the field of Aviation Maintenance Technology. This person will be responsible for teaching courses in the Aviation Maintenance Technology program. This individual may assist in the continued development of other aviation related programs such as the areas of avionics/electrical systems and interiors/cabinetry. This position will report to the Dean of Aviation.

Education and Occupational Experiences
- Federal Aviation Administration (FAA) Mechanic’s Certificate with Airframe and Powerplant ratings required.
- Must have three (3) years of aviation maintenance experience within the past seven (7) years.
- Teaching experience at a FAA Part 147 school preferred.
- Completion of an Associate’s Degree or higher in field or related field preferred.
- Experience in avionics and composites desired.
- Must demonstrate excellent written and oral communication skills along with computer skills.

Responsibilities (this list is not intended to be exhaustive):
- Duties include a flexible schedule of lecture, lesson planning, student advisement, and registration, which may involve split teaching shifts and/or travel to multiple campuses.
- Instructs students, evaluates, and records student progress in attaining goals and objectives.
- Advises and counsels students, and maintains appropriate advisement records on each student.
- Ensures compliance with accreditation standards of regional and national accrediting agencies.
- Ensures safety requirements are met in the classroom and laboratory environments.
- Completes reports and requests for information from internal and external departments and agencies.
- Monitors student use of supplies, materials, and equipment. Reports inventory and orders supplies/equipment as necessary.
- Recruits new students to the Aviation programs, and manages student retention.
- May recruit and/or supervise Adjunct Faculty.
- May serve on committees and/or work on projects with other instructional departments/divisions.
- Performs other duties as assigned by the Dean of Aviation
- Follows all policies and procedures of Savannah Technical College

Physical Demands
Responsibilities are typically performed in an office or classroom/lab environment with the employee intermittently sitting, standing, walking, bending, pushing, and pulling for up to three (3) – four (4) continuous hours at a time. The employee frequently lifts lightweight objects up to 50LBS. The work is performed in campus buildings and outdoors where the employee is occasionally exposed to cold or inclement weather. The exposure to dirt, dust, grease, machinery with moving parts, chemicals, and fumes is possible in the laboratory environment. The ability to speak clearly, to hear, and understand at a normal conversational level is required.

Salary/Benefits
Salary is commensurate with education and work experience. Benefits include paid state holidays, annual and sick leave, and the State of Georgia Benefits package.

Application Deadline
Position considered open until filled. Candidates must pass a criminal background check. Applicants must submit a completed Savannah Technical College Employment Application, a cover letter, and a resume (incomplete submissions will not be considered). Applications may be downloaded at: www.savannahtech.edu. Please submit the completed application, cover letter and resume to:
