2018-2019 Verification Worksheet Instructions

Your 2018-2019 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. This is to ensure that your FAFSA was completed correctly. To verify that you provided correct information, submit the completed/signed 2018-2019 Verification Worksheet along with the required supporting documentation to the Financial Aid Office. Make sure the form is signed by you (the student). A financial aid administrator will compare your FAFSA with the verification information provided. If there are differences, your FAFSA information will be corrected by the Financial Aid Office.

The IRS Data Retrieval Tool is recommended for all tax filers. If you used the IRS Data Retrieval Tool and did not subsequently change data that was retrieved, you do not have to submit a copy of your 2016 Tax Return Transcript.

The verification process can take up to 3 weeks to complete. If FAFSA corrections are required, please allow an additional 5-7 business days for the corrections to be processed. Federal financial aid **will not** be awarded until the verification process is completed. Check your BANNER Web and student e-mail frequently for updates on your financial aid status.

***If you do not have a copy of your 2016 IRS Tax Return Transcript or w2 and you are unable to obtain a copy, you may request an IRS Tax Transcript or IRS Wages Transcript:**

GET TRANSCRIPT ONLINE

To print your online 2016 IRS Tax Return Transcript or Letter of Non-Filing from IRS website:

<https://www.irs.gov/individuals/get-transcript>
