**Unusual Enrollment
 History
 2018-2019 School Year**

Your 2018-2019 Free Application for Federal Student aid (FAFSA) has been flagged for “Unusual Enrollment History Review” by the US Department of Education because you received Federal Pell Grant funds and/or a Federal Direct Loan (not including a Direct Consolidation Loan or parent PLUS Loan) at multiple education institutions during the review period of award years 2014-2015, 2015-2016, 2016-2017, and 2017-2018. This flag requires Savannah Technical College to review your enrollment history and determine whether or not you are enrolling only long enough to receive cash refunds of federal student aid. In the process of reviewing your enrollment history, Savannah Technical College will check the National Student Loan Data System (NSLDS) to obtain a complete history including the names of institutions you have attended and the dates of attendance.
