

Keep STC Healthy!

Practice good hygiene & distancing...

Stop hand shakes and use **non-contact greeting methods**. No hugs, no high-fives, no fist-bumps.

Wash your hands regularly and thoroughly.

Wear a face mask any time you are sharing space with others, like in hallways.

6

Keep your distance, allowing **at least six (6) feet** of space between you and others at all times.

Avoid touching your face and cover your coughs and sneezes with a tissue.

Check-in for safety!

Only enter campus using **designated entrances** and **check-in/check-out** with the officer on duty.

If you need to access campus **after-hours or on weekends**, contact **the STC Police Department first** to make arrangements.

Stay home if...

- You are **feeling sick**
- You have a **sick family member** at home
- You have a **fever over 100.4** degrees
- You experience symptoms of illness, to include:
 - **coughing**
 - **shortness of breath**
 - **loss of taste or smell**

Keeping it germ-free!

Monitoring the number and location of employees on campus each day **helps our Facilities team ensure areas are disinfected** after they are occupied.

Contact tracing

Should a confirmed case occur on campus, knowing those in contact will allow us to notify individuals who may need to seek testing.
