

Savannah Technical College Dual Enrollment Get Started and Apply for Admission

DETERMINE IF DUAL ENROLLMENT IS A GOOD FIT

- Students and Parents must discuss if Dual Enrollment is a good fit for the student.
 - The student and parent must meet with your High School Guidance Counselor to determine the impact of Dual Enrollment on the high school grade point average and college enrollment.
 - Visit <https://www.gafutures.org/hope-state-aid-programs/scholarships-grants/dual-enrollment/> to learn more about eligibility requirements and the impact, if any, of dual enrollment funding on future HOPE eligibility.
 - Have a discussion about graduation requirements and participation in home school activities and home school schedule.
 - The Parent and Student should consider what happens if a failing grade or withdrawal occurs.
 - The student and parent must discuss transportation, class attendance, class schedule and whether the dual enrollment schedule might impact extra-curricular activities.
 - Parent and Student should review the STC Academic Calendar at <https://www.savannahtech.edu/academics/academic-calendar> to determine whether the dual enrollment course schedule, STC holidays and Home Study Program schedule impact vacation planning.

COMPLETE THE STC ADMISSIONS APPLICATION

- Complete the Savannah Technical College Application for Admission <https://www.savannahtech.edu/admissions/apply-online> .
 - Please be sure to select the **High School Student-Dual** from the Application Type drop-down box so that you will be properly classified as a dual enrollment student and the \$25 application fee will be waived.

ALTERNATIVE ADMISSIONS METHODS

The Technical College System of Georgia (TCSG) offers several alternative ways for students to get accepted into dual enrollment programming and some of these opportunities is listed below.

- Georgia Milestones Assessment System (GMAS): Ninth Grade Literature and Composition Test Scale Score: **525 or higher
 - Have your high school guidance counselor submit your official GMAS scores
 - ** Please note that by submitting the GMAS score only, this will not allow your student to be eligible to take any Math or Natural Science courses in the dual enrollment program.
- HOPE GPA (after completion of 10th grade): 2.6 grade point average (Placement for English and Math)
 - Have your high school guidance counselor submit your official high school transcript to STC.
 - The HOPE GPA is calculated using the core academic courses only (Math, Natural Sciences, Social Sciences, English, and Foreign Language).

How to Get Registered, Enrolled and Tuition Paid **COMPLETE THE GAFUTURES APPLICATION & PARTICIPATION AGREEMENT**

- Complete the online/paper Dual Enrollment Funding application: <https://www.gafutures.org/hope-state-aid-programs/scholarships-grants/dual-enrollment/application-procedure-and-deadline/>
- Complete the Student Participation Agreement received from your High School Counselor or found on the STC High School Student webpage
 - A new funding application and student participation agreement form must be completed and submitted each term the student intends to enroll as a Dual Enrollment student.
 - The form must be signed in the appropriate sections by the student, the parent, and the High School Guidance Counselor.
 - There are six sections of Student Participation Form–
 - Part I is completed and initialed by the Parent/Guardian.
 - Part II is completed and by the Student.
 - Part III and IV is completed by the High School Guidance Counselor
 - Part V is signed and dated by the Student, Parent/Guardian, and High School Guidance Counselor
 - Upon completion of all sections, the form should be brought to the Savannah Technical College campus that is most convenient to the student/school district.
- Contact Savannah Tech's Dual Enrollment Representative to schedule a registration appointment if you are a new student. Returning Students may email the Dual Enrollment representative the course schedule along with the completed and signed Dual Enrollment Funding application and Participation Agreement.
 - Appointments may be made by email. For returning Dual Enrollment students, please include your STC Student ID number. If you have not been enrolled before, please include your full name and birthdate.
 - Students must meet the test score and college course prerequisite requirements for any courses requested.
