

Specializations & Alternate Plans in Navigate

NOTE: You must select the specialty plan (“alternate plan”) before getting into edit mode (before clicking the green “Add Comments or Suggestions” button in upper right of screen).

1. While in the ‘Academic Plan’ tab, click on “View Alternate Plans”.

The screenshot displays the NAVIGATE interface for a student's academic plan. The top navigation bar includes the NAVIGATE logo, a search icon, and a notification icon. The main content area is divided into two panels: 'Plan Suggestions' and 'My Academic Plan'.

Plan Suggestions:

- Plan Last Updated By: Never
- Currently viewing: Construction Management Base Plan | [View alternate plans](#)
- Need help adjusting your plan? Schedule an appointment with your Advisor. Or, for a list of Advisor contact information by college division, visit this page: <https://www.savannahtech.edu/admissions/advisement-registration/>. Drag or add courses through the course menu to plan them on your terms.

8 Credits

2. Select the student's appropriate alternate plan.
3. Make sure to scroll down, then click on 'Change to this plan'

4. After selecting "Change to this plan," you should be directed back to the main Academic Planning page. From there, you should be able to click 'Add comments or suggestions' and then edit the plan accordingly.
