The calculation of your HOPE SCHOLARSHIP CUMULATIVE GPA is determined by the following:

- All college credit hours attempted after high school graduation (hours attempted while seeking a degree) at all post secondary institutions the student attended and their corresponding grades must be included in the HOPE cumulative GPA, regardless of what hours are accepted or not accepted by the institution the student is currently attending or if the course was repeated, or if the course was “forgiven” by the institution, or if the student received a withdrawal grade for the course.
- Your HOPE Scholarship eligibility will be determined once the grades are available for the semester after you have attempted 30, 60, or 90 credit hours.
- You must have a 3.0 GPA or better at the end of the 30th, 60th, 90th attempted credit hour to be eligible for the HOPE Scholarship.
